Official Information request and response

Thank you for your request under the Official Information Act (“OIA”) dated 17 January 2023.

You have requested:

Information regarding how much funding NZ On Air provided in commissioning the [Te Tiriti Framework for News Media Report](#) (“the Report”).

Please find below our response to your request:

NZ On Air can confirm that the total funding provided in commissioning the Report was \$33,350 + GST.

The Report was an academic report commissioned by NZ On Air and undertaken and prepared by an independent third party. The *Te Tiriti Framework for News Media* was commissioned to support media wanting to develop their own Te Tiriti strategies. No other academic resource existed for them to draw on. The work included seeking feedback from Māori and Pākehā journalists to the developed framework. We have been clear that there is no compulsion for media to use the framework.

NZ On Air took care to ensure the Framework was developed independently by academics who had demonstrated expertise in both media and Te Tiriti studies and that both Māori and Pākehā academics were included. The full framework includes comprehensive citations to demonstrate where data and information has been drawn from or comments attributed to.
