Dear [REDACTED]

**Official Information request and response: Convergence note**

Thank you for your request under the Official Information Act ("OIA") dated 26 March 2018.

Your request says:

*Please find attached a copy of a document that NZ on Air filed with the Ministry of Culture and Heritage on 16 October 2015. The document was titled "NZ ON AIR — Note on Convergence (not a formal sub)" and is clearly part of a larger document. The Ministry says NZ on Air supplied no cover note, preamble or introduction. My request is for the whole document.*

This paper is not part of a larger document. It was tabled at a regular meeting with MCH officials who had previously asked if we had any particular views on the review, given we were not making a formal submission. We tabled the notes that have been released to you and I confirm there was no other documentation.

You have the right to refer this response to the Ombudsman if you are dissatisfied with it. More information on how to do this is here:

NZ On Air proactively releases information in accordance with the Government's commitment to the Open Government Partnership National Action Plan. This includes publishing responses to requests for information under the OIA. Please note that this response (with your name removed) will be published on the NZ On Air website shortly and will remain on our website for 12 months.

Thank you for your interest in our work.

Yours sincerely

Jane Wrightson  
CHIEF EXECUTIVE
