Dear ██████████

Official Information request and response

Thank you for your request under the Official Information Act ("OIA") dated 14 May 2018.

You have requested:

*information in any form held by New Zealand on Air relating to New Zealand on Air's **decision to cease funding** of programmes summarising parliamentary proceedings produced for the Office of the Clerk of the New Zealand House of Representatives. The period in question was around 2009 to 2011. The information will include notes and correspondence, both internal and external. The programmes were produced by ██████████ and my request is made under the Official Information Act and Section 34 of the Privacy Act 1993.*

We released this information to you on 11 August 2010 following your OIA request of 4 August. There have been no documents produced since except for an exchange of correspondence between you and the then Chair of NZ On Air, information that you already hold.

In our 11 August 2010 release we advised that we withheld three board papers dated November 2008, December 2009 and August 2010. Given the time that has passed I am now releasing these to you. These are attached. Subsequent to your August 2010 OIA request a board paper discussing your request for reconsideration was produced. This paper is also attached.

You have the right to refer this response to the Ombudsman if you are dissatisfied with it. More information on how to do this is here:

NZ On Air proactively releases information in accordance with the Government's commitment to the Open Government Partnership National Action Plan. This includes publishing responses to requests for information under the OIA. Please note that this response (with your name removed) will be published on the NZ On Air website shortly and will remain on our website for 12 months.

Thank you for your interest in our work.

Yours sincerely
