Official Information request and response

Thank you for your request under the Official Information Act ("OIA") dated 4th October 2021.

You have requested:

'a list of every song that received New Music Single funding between 2016-2021, and the names of people who were on the panel for each funding round'.

You also requested that we identify

'the proportion of songs who received funding that after receiving funding were playlisted on a commercial radio station or on an alternative radio station'.

I have attached the requested information that we are able to release in an excel document, please find this attached along with this letter. Because most of the funded songs in this period were playlisted on either commercial and/or alternative radio stations in NZ, we have noted just any songs that were not recorded to have had any airplay in the year following release as measured by Radioscope (the official radio play measuring company in New Zealand).

For your information, funding provided by NZ On Air for all successful projects is searchable on our website. You can also sign up to receive our industry newsletter via our website.

You have the right to refer this response to the Ombudsman if you are dissatisfied with it. More information on how to do this is [here](#). NZ On Air proactively releases information in accordance with the Government's commitment to the Open Government Partnership National Action Plan. This includes publishing responses to requests for information under the OIA. Please note that this response (with your name removed) will be published on the NZ On Air website shortly and will remain on our website for 12 months.

Thank you for your interest in our work.

Yours sincerely

Clare Helm
